

# NIKITA OREKHOV

## PERSONAL DETAILS

**E-mail:**  
nikanor97@gmail.com

**GitHub:**  
github.com/nikanor97

**Phone:**  
+7-905-781-93-37

**Date of birth:**  
07.10.1997

**Address:**  
4 Mescheryakova str,  
building 2, apt 45, Moscow,  
Russia

**Citizenship:**  
Russian

**Languages:**  
Russian, English (fluent),  
French (threshold)

**Hobbies:**  
Programming,  
mathematics, photography,  
reading, tennis and  
volleyball.

## EDUCATION

- **2015 – 2019**  
**Bachelor of Computer Science.**  
Moscow Institute of Physics and Technology, Department of Innovation and High Technology
- **2012 - 2015**  
Moscow State School №57, Mathematics class

## ADDITIONAL EDUCATION

- **October 2017 – present time**  
“Analysis of web projects security”
- **October 2016 – present time**  
“Data analysis and Machine learning”
- **July 2014**  
“Summer Math School”
- **August 2013**  
“Russian-Chinese Summer Math School”

## ACHIEVEMENTS

- **2015** “Lomonosov”  
mathematics Olympiad, First  
place diploma in Mechanics;
- **2015** Joint Interuniversity  
Olympiad, Second place  
diploma in mathematics;
- **2015** “Purest tint”  
Olympiad, Third place diploma  
in mathematics;
- **2015** “Phystech”  
Olympiad, Third place  
diploma in physics.

## PROJECTS

(can be found on my **GitHub**)

I took part in project **zadachi.mccme.ru** (a large database of geometry problems) at school. My part of work was connected with “drawing” (MetaPost programming) pictures and, sometimes, compiling the tasks.

“Clever Vocabulary” (in progress). The description is on the **GitHub**.

Hackathon “**MLH Lockal Hack Day**” - telegram bot. My part was back-end.

My other projects are mainly educational.

## SKILLS

I know **C++** and **Python** at **OOP**, **STL (C++)**, **algorithms and data structures**, **concurrency** levels.

I had an “**Operating Systems**” course, where I also got experience in working with UNIX command line.

One year ago I finished a course in **SQL** with the highest mark.

I also have skills in working with **Linux** and **Windows IDEs** like **Visual Studio (Windows)** and **CLion (Linux)**.

## INTERESTS

### • Personal:

I like to solve different complicated problems as well as teamwork and communication and have good organization skills. I have successful experience of organizing school events and representing my team at mathematics competitions and currently I am the member of the students Council at my department.

### • Professional:

I would like to try myself in different development projects (especially in those where I can work with modern technologies) and widen my knowledge in every possible area of Computer Science and Information Technology.
